

Financial protection

Purpose

At the end of this unit, candidates should be able to demonstrate an understanding of and ability to analyse:

- the purpose and scope of financial protection products and how they interact with State benefits;
- the main features and functions of the different types of contracts and how they are arranged in order to meet the individual client's protection needs;
- the main protection needs of businesses.

Summary of learning outcomes	Number of questions in the examination*
1. Understand the consumer and retail market factors and trends relevant to financial protection.	3
2. Understand the areas of need for protection planning and the main sources of financial protection.	3
3. Understand the role and limitations of State benefits and state/local authority funded solutions for financial protection.	3
4. Understand the range, structure and application of life assurance and pension based policies to meet financial protection needs.	8
5. Understand the taxation treatment of life assurance and pension based protection policies.	6
6. Understand the range, structure and application of income protection insurance and options to meet financial protection needs.	6
7. Understand the range, structure and application of critical illness insurance to meet financial protection needs.	6
8. Understand the range, structure and application of long-term care insurance to meet financial protection needs.	3
9. Understand the main features of other insurance based protection policies.	6
10. Evaluate the needs and priorities for financial protection and the relevant factors in selecting appropriate solutions.	6

* The test specification has an in-built element of flexibility. It is designed to be used as a guide for study and is not a statement of actual number of questions that will appear in every exam. However, the number of questions testing each learning outcome will generally be within the range plus or minus 2 of the number indicated.

Important notes

- Method of assessment: 50 multiple choice questions (MCQs). 1 hour is allowed for this examination.
- This syllabus will be examined from 1 September 2022 to 31 August 2023.
- Candidates will be examined on the basis of English law and practice in the tax year 2022/2023 unless otherwise stated.
- It should be assumed that all individuals are domiciled and resident in the UK unless otherwise stated.
- This PDF document is accessible through screen reader attachments to your web browser and has been designed to be read via the speechify extension available on Chrome. Speechify is an extension that is available from <https://speechify.com/>. If for accessibility reasons you require this document in an alternative format, please contact us on ukcentreadministration@cii.co.uk to discuss your needs.
- Candidates should refer to the CII website for the latest information on changes to law and practice and when they will be examined:
 1. Visit www.cii.co.uk/qualifications
 2. Select the appropriate qualification
 3. Select your unit from the list provided
 4. Select qualification update on the right hand side of the page
